

Keegan's Seafood Grille

1519 Gulf Blvd., Indian Rocks Beach

(727) 596-2477

A casual spot that has built a loyal local following over 25 years by offering seafood that goes beyond grouper sandwiches — though they have those too — with charbroiled octopus, gumbo, she-crab soup and blackened gator tail. Regulars know to check the specials on the blackboard. Featured in an episode of the Food Network show *Diners, Drive-Ins and Dives*, it's hard to say it fits any of those descriptions, so don't let the strip mall location fool you.
